12. Identify staffing needs in the Faculty and ensure that resources are realigned to meet the needs of Faculty Plans prior to seeking approval to fill posts.
13. Member Finance and Planning Committee UOB Quetta since March 2016

Chairman Board of Faculty

As a Chairman of the Faculty Board Conduct meetings and Curriculum Review Committee meetings twice a year with the objective to discuss and approve the syllabuses forwarded by the departmental Board of studies meeting. Monitoring follow-up through Faculty meetings and creating liaison between the academic board and faculty.

Achievements during Deanship from 2016-18:

1. Adopted and implemented successfully the semester system in three departments which were running on annual system since long. All these three departments started Master two years' program and BS four years' program. Provided training to the faculty members and administrative staff on the semester system requirements and imparted skills for managing the issues of this system.
2. Successful launched the New Research Journal at faculty of Management Sciences

Name of the **Journal Balochistan Journal of Management and Social Sciences (BJMSS)**

3. The total strength of the students in the faculty has increased from 1652 to 2354
4. Won Microsoft Imagine Cup award 2017 won by Azam jan s/o Abdul Samad, Farooq s/o Abbas, Aurangzaib s/o Muneer Ahmad at National level by the Computer Science Department from Balochistan
5. Managed the Crisis of Institute of Management Sciences for MBA 3.5 year's program because the students were struggling for their examination and degrees since long. As a Dean I have defined a mechanism for the conduct of research paper through Board of Advance research and studies.
6. Successfully held Innovation Summit 2017 and 2016 which highlight the importance of local technologies for knowledge economy of Pakistan and provides an opportunity for linkages between academia, industry and government. My faculty played pioneered role in the completion of the summit. More specifically the summit provided platform for networking of innovators, scientists, students, and industrial executives.
7. Two Business plans were awarded to UOB during summit 2017
8. Two Days Workshop on Semester System from 19th-20th October 2016, Organized Jointly by Faculty of Management Sciences and FTDC.
9. Organized Book Day Celebrations and one-day Conference on Nation Building & Future Entrepreneurs, Pre Budget Seminar 2017

Financial Skills:

- Worked as **Treasurer at SBK Women University Quetta for Two Years** from March 2013 to Jan 2015,
- As Head of Finance Department of SBK Women University Quetta ensure the availability of the funds and monitored the payment of developmental projects of university
- Over all managing and monitoring the public financial matters of the university. Arranging funds for the university and implementing the financial policies. Made Liaison with HEC Islamabad for funds management and member finance committee at SBK and HEC

- Transferred the main account of the university from Mezan Bank to National Bank of Pakistan on the advice of the Higher Education Commission received. It was a big challenge and implemented with all hardships.
- Managed the assets, liabilities, receipts, expenditures, grants, funds and investment of the university including opening, maintaining and closing of bank accounts for various purposes,
- Prepared the annual and revised budget estimates of the University and present them to the Finance and Planning Committee and the Syndicate
- Involved in the fund raising activities by building close liaison with Higher Education Commission and provincial government.
- Member Purchase Committee at SBK University

Achievements as Treasurer

- Newly Introduced and adopted Pension plan scheme for university employees. Previously the SBK University was running on Contributory pension fund basis.
- Implemented the new financial rules of SBK carrying 15 sections in consultation with federal and provincial rules.

Member HEC Public Expenditure Project funded by World Bank from Feb 2015 to Dec 2015

In response to the efforts regarding implementation of Government' Higher Education Reforms program, as a part of the second Medium Term Development Framework for Higher education (2011-2015), Higher Education Commission and the World Bank jointly initiated Tertiary Education Support Program (TESP). The purpose of the program was to enhance the capacity of Pakistani institution of higher learning to produce high quality graduates, support innovation and improve the overall governance and management of higher education sector.

As active member in this project, Public Expenditure Tracking Survey (PETS) has been undertaken in order to document the efficiency in the allocation and use of the funds received by HEIs with a special focus on funds channeled through HEC. Overall objective of this

exercise was to identify sources of inefficiencies, and bottlenecks in the flow of funds and provide recommendation on measures to maximize the value of HEIs' outcomes.

Overseas Training Program in Australian and Thailand Public Sector Universities from August 2014

Under the project support of HEC and Tertiary Education Support Program (TESP), Training cum Advance Management Visit Program of Thailand and Australian public sector universities was conducted from 4th to 16th August, 2014. The main theme of the program was “Organizational Financial Planning and Challenges of Revenue Diversification”. This training was for capacity building and improvement in the higher educational institutes (HEIs).

The purpose of the visit program was to prepare Pakistan’s University Officials, policy makers, treasurers and top management from HEC to administer the university managerial issues and diversified institutional funds through exposure to best practices in fiduciary oversight and resource management at reputable international universities. The training program coordinated by Asian Institute of Technology, (AIT) Thailand. The major objective was for sharing knowledge and best practices in universities financial management and fund diversification with the Pakistan delegation.

International Top Universities Visited

1. Chulalongkorn top University in Thailand
2. University of Queensland (UQ),
3. Griffith, Bond University
4. New South Wales (UNSW),
5. Macquarie University
6. University of Technology Sydney (UTS)
7. Office of the Higher Education Commission (OHEC), Thailand
8. Department of Education and Communities (DEC) Australia.

All universities were well prepared for the occasion and the Deputy Vice Presidents and the Heads of their Finance Departments received the delegations and gave presentations. The delegation was given a guided tour of vast campuses of the universities they visited. At many universities a tea gathering was arranged by a number of Pakistani professionals and students. The occasions served as a platform for dialogue and socialization.

Supervising Research Activities and Projects

- Manage and enhance the research activities of the university, develop research policies and priorities related to public finance and expenditure, and serve as an effective advocate for research with the university and to its broader community of stakeholders and supporters. Provide leadership for the work of faculty research leads and give appropriate feedback as part of their performance reviews
Engage effectively with other members of the University to develop the synergies between teaching and learning, research, business development and other activities
Ensure the University is kept abreast of national and international developments appropriate to the brief of the role
Develop an active research culture that fosters the highest achievements, encourages originality and innovation and enriches the student learning experience.
- Promote research links and engagement within the Faculty, across the University and with external organizations.
- Encourage academics to engage in multi-disciplinary research within the Faculty and, more broadly, across the University and externally with other organizations.
